2 PM RAIN GARDENS WITH DURHAM MASTER GARDENER TRACEY SMYTH

Learn how and why water runoff has become a serious threat to our environment and what you can do to help offset the problem on your own property. Learn the basic principles of creating a rain garden and how to measure your property's water runoff. There will be a demonstration of how a rain garden works, and which plants to choose to make your rain garden successful

MICHELLE PEER

1628 Charles St.
Whitby 905-240-4120
michelle@2codesign.ca
2codesign.com

Michelle understands the importance of making a home your own and inspires clients to go beyond the conventional to create a home that is truly a reflection of them. She graduated from The International Academy of Design in 1991, and has acquired experience in residential design working in paint & decor, furniture & custom drapery, and complete home renovation.

SUSAN CARDUCCI

1628 Charles St.
Whitby 905-240-4120
susan@2codesign.ca
2codesign.com

Susan's desire to incorporate the unique tastes of each client, results in a finished design that embodies both elegance and individuality. She graduated from Ryerson University in 1993 where she obtained her Bachelor of Applied Arts Interior Design (B.A.A.I.D.). Susan gained valuable experience working for Elite one of Toronto's most established furniture showrooms, and later as a furniture buyer, merchandiser, and designer at Rousseau's in Durham region.

3 PM - AUTHOR, SPEAKER AND GARDENING ENTHUSIAST - SHER LEETOZE, THE NATURAL GARDENER

Hate using Chemicals in your garden? Come hear Sher tell you how to have a wonderful pest-free garden naturally. Find out how other bugs can help you; find out how birds can help you; find out how other plants can help you; and find out how you can let the butterflies and bees do their work more efficiently. You have jobs to do too, so don't miss this talk!

SUNDAY, MARCH 25TH

11 AM STARTING PLANTS FROM SEEDS WITH MASTER GARDENER GINI SAGE

In this presentation we will provide the home gardener with the right knowledge and skills to make them successful at starting seeds at home for planting in the spring. Topics covered include proper storage of seeds, when to start seeds, germination requirements, lighting, thinning and transplanting, fertilizing and hardening off.

2 PM "GUT MY HOUSE...MAKE IT NEW!"

With over 30 years in the building industry Glenn Hunter will take you through the steps in planning and developing a complete home renovation program that you can execute over many years.

12 NOON - 2 PM ORGANIZING AND STAGING SESSION SERIES, 15 MINUTE CONSULTS

sense of space creates home and garden designs in the Whitby, and surrounding Durham area, that work with features in your existing outdoor and indoor spaces. They skillfully incorporate new elements to build beautiful environments that create the mood you want - whether it's a soothing hideaway or an invigorating, organized space.
